RE: President al Search Commit ee Request

Dear Members of the Bristol Community,

As we embark on our President al search, I extend my heart elt thanks to each of you for your unwavering part cipat on and support. Your dedicat on to the college has made us a wonderful community and together, we have achieved success, including our recent NECHE accreditat on. I am conf dent that the select on of our next president will cont nue this tradit on of excellence.

I would like to extend an invitat on for you to become familiar with the Massachuset's Board of Higher Educat on <u>8 h o o</u> k o y # # h

to lead the search. They have extensive experience in conduct ng president al searches nat onwide, with great success in the placement of highly qualified candidates.

The next step is the select on of our president al search commit ee. In short, the Board of Trustees shall appoint a president al search commit ee comprising of at least three Trustees and representat ves from select campus const tuencies. The Commissioner appoints one member, preferably from the Board of Higher Educat on, or a senior staf member from the Department of Higher Educat on. Addit onal members such as alumni, community representat ves and ec -
