I. CONVENING

The 109th meeting of the Board of Trustees Finance and Audit Committee convened on Monday, September 26, 2016, in Conference Room, Room D210 of the Hudnall Administration Building. Chairperson Cynthia Rose called the meeting to order at 3 p.m.

2. Review of the FY2016 Annual Trust Fund Report.

Vice President Kenyon provided an overview of the Annual Trust Fund Report. Trustee Rose questioned Private Gifts, Grants, and Contracts on page 10 of the report. Vice President Kenyon explained that most of this is Foundation activity. It is higher than normal because of the Capital Campaign.

President Sbrega asked what percent of “state” funds make up our revenue. They make up about 30 percent of revenues.

Vice President Kenyon said that federal financial aid is our biggest revenue source which is why we are required to have an A-133 audit.

3. Report on Reserves as of August 31, 2016.

The Report on Reserves was reviewed, and Vice President Kenyon gave an overview. Trustee Volterra commented on Fidelity and mentioned that Vice President Kenyon sent him materials pertaining to Fidelity. These included the composition of the two Fidelity accounts.

Vice President Kenyon explained that the College has two managed funds – balanced and conservative and within these funds there are 39 different mutual funds.

It was explained that a few years ago the College went out to bid and Fidelity was selected from several firms.

Trustee Volterra suggested as our CDs mature, we move them to Fidelity but keep at least \$1M in CDs.

In March 2017, we will ask Fidelity to present to the committee.

A MOTION was made to transfer CDs to the Fidelity Balanced Fund as they mature. The College will keep at least \$1M in CDs. It was unanimously approved.

Upon completion of the review, the Report on Reserves was accepted.

4. Review – Draft FY16 Audited Financial Statements.

Vice President Kenyon explained why we do not have the final Audited Financial Statements. The College’s portion of the state pension fund is not finalized yet. This information is provided by the State Comptroller and has not been received. This entry will have a material impact on our financial statements. A special meeting will be held to review the final statements.

5. Update on New Bedford Facility Lease.

Vice President Kenyon gave an update on the New Bedford facility lease. The Foundation will enter a 10-year lease with STORE Capital. The Foundation is very supportive, and Vice President Kenyon has been working on the documents to close the deal. Vice President Kenyon has been working with the various tenants to secure subleases.

We expect to close in November 2016. The Foundation will be the go-between and ultimately be our landlord.
