

Articulation Agreement of Academic Programs between
Bristol

Spring 2022

of the current cohort, but will still have the opportunity to obtain a degree contingent on University eligibility requirements.

8. Options for degree completion via UMass Dartmouth's Online and Continuing Education division are available for students. Students will work with that divisions advisor specifically if this avenue is desired. Stipulations may exist via OCE based on program availability.

9. If students are interested in pursuing a master's degree inclusive of this fast-track model, application for that avenue will take place once the student has earned
